Pedal for Prizes and Old Brooklyn Community Development Corporation have teamed up to bring a no-contact bicycling event to the neighborhood. The event will take place Memorial Day weekend (starting Saturday, May 29th) through July 4th weekend. (Forms turned in by Tuesday, July 6th)

Pedal for Prizes is meant to be a fun event done by bicycle. Please refrain from using a motor vehicle to get to the destinations. We also ask that you follow the current State of Ohio and/or local business' COVID-19 guidelines should you choose to visit any of the establishments while participating in the event.

Ride your bike to every destination, find the specific number at each destination and record it on the proper space of your form. When all destinations are filled out, simply scan or take a picture of the form and email it to **sandyw@oldbrooklyn.com**. Don't have access to a computer? No problem! Pick up a form at Sixth City Cycles or the OBCDC office (back entrance) located at 4274 Pearl Road. Once completed, mail or drop off the form to OBCDC. Thank you for joining us — have fun, be safe and enjoy Old Brooklyn!

Pedal for Prizes and Old Brooklyn Community Development Corporation are not responsible, and cannot be held responsible for any injuries, damage, or other liabilities as a result from participating.
